PREFACE

The Standard Tender Documents contained in this booklet have been approved by the Coordination Group consisting of the Islamic Development Bank, the Abu Dhabi Fund for Development, the OPEC Fund for International Development, the Saudi Fund for Development, the Arab Fund for Economic and Social Development, the Kuwait Fund for Arab Economic Development and the Arab Bank for Economic Development in Africa, hereinafter referred to individually as the "Financing Institution" and collectively as the "Financing Institutions". These Standard Tender Documents are intended for use for the procurement of goods to be financed by one or more of the Financing Institutions and which are required by a borrower from, or a beneficiary of financing by any of the Financing Institutions, such borrowers and beneficiaries hereinafter referred to, for the sake of convenience, as the "borrowers" and individually as the "borrower".

The Standard Tender Documents must be read against the background of the Guidelines for the Procurement of Goods and Works issued by the aforesaid Coordination Group and which must be observed by the borrowers in addition to any other particular requirements of the Financing Institution(s) financing a particular project.

As will be noted, the Standard Tender Documents approved by the Financing Institutions comprise Instructions to Tenderers and Conditions of Contract consisting of General Conditions and Special Conditions which are intended to amplify the General Conditions and to provide for terms and conditions pertaining to the particular procurement transaction. Hence, the blank spaces left in the standard Special Conditions which must be filled in order to have complete Special Conditions for incorporation in the tender documents used for inviting bids. It is assumed that appropriate technical specifications for the kind or kinds of the goods required will also be prepared by the borrower and incorporated in such tender documents. In addition to the standard documents contained in this booklet and mentioned above, the Standard Tender Documents contain in annexes thereto, appearing in the last Section of the booklet, the following specimen forms:

1. Form of Tender and Price Schedule(s) to be submitted by bidders (Annex I).
5. Form of Advance Payment Guarantee (Annex V).
Though the use of the Standard Tender Documents set forth in this booklet is not mandatory, such use is highly recommended to the borrowers as it will facilitate the speedy processing and approval by the Financing Institution(s) of tender documents presented by the borrowers. The Standard Tender Documents will assist the borrowers in the preparation of tender documents for goods to be financed by one or more of the Financing Institutions, as mentioned earlier, and serve as a check list indicating to the borrowers the subject-matter which must be covered in such tender documents, if they are to be met with approval. Departure from the Standard Tender Documents recommended will be acceptable so long as the subject-matter contained in them is adequately covered in the proposed tender documents and the departure is justifiable on good grounds.

Finally, it remains to state that in recommending these Standard Tender Documents, the Financing Institutions do not accept, whether severally or jointly, any responsibility to any party using the said Documents or entering into a contract based on them, and any responsibility shall rest solely with such party.

Any attempt by any bidder to influence the process of evaluation of bids or award will lead to the rejection of its bid.

28. Clarification of Bids

The Purchaser may request any bidder to clarify any matter in its bid, including the breakdown of its unit rates. Such request will be made in writing, but no bidder will be allowed to make, through any clarification given by it, any change in the price or substance of its bid.

29. Determination of Responsiveness of Bids

29.1. Prior to the detailed evaluation of bids the Purchaser will examine each tender to determine whether it: (a) meets the eligibility criteria set forth in Clauses 4 and 5 of these instructions, (b) has been properly signed, (c) is accompanied by the required bid security, (d) is valid for the period required and, (e) is substantially responsive to the requirements of the tender documents. For this latter purpose, a substantially responsive tender is one which conforms to all terms, conditions and
specifications stated in the tender documents without any material deviation or reservation. A material deviation or reservation is one which: (i) affects in a substantial way the price, scope, quality, performance or the required timing of execution and completion of the works, or (ii) limits in any substantial way, inconsistent with the tender documents, the rights of the Purchaser or obligations of the tenderer, and (iii) whose rectification would unfairly affect the competitive position of the tenderers who have presented substantially responsive bids.

(b) Where there is an error in any amount resulting from the multiplication of a unit rate for an item by the quantity thereof, the unit rate shall govern and the product of the multiplication shall be corrected accordingly, unless in the opinion of the Purchaser there is an obviously gross misplacement of the decimal point in the unit rate, in which case the line item total stated will govern and the unit rate will be corrected accordingly.

(c) The total tender price will be recalculated on the basis of correction of errors in the manner stated in paragraph (b) above, or if there are no such errors by correcting any errors in the summation of the prices for the various line items in the Price Schedule(s). The total price arrived at after either of these corrections shall be deemed to be the correct total price of the tender, unless the total price stated in the tender is lower than the corrected total tender price, in which case the former shall be deemed as the correct tender price and the tenderer shall be deemed to have offered a discount to be applied pro rata to the prices of all items in the schedule of prices.
30.2. The correction and adjustment of the tender prices and total tender price resulting from the application of the methods for correction stated above shall be binding on the tenderer and if the tenderer does not accept the corrected amount of its bid, it shall forfeit its tender security.

E. EVALUATION AND COMPARISON OF TENDERS

31. The Bids to be Evaluated:
Only bids determined to be substantially responsive will be evaluated and compared with one another by the Purchaser.

32. Currency of Evaluation

33. Determining the Lowest Evaluated Bid
33.1. For evaluation of the bids, the Purchaser will determine the evaluated bid price for each bid by adjusting the bid price, as determined in accordance with Clauses 30 and 32 of these Instructions, as follows:

(a) excluding provisional sums.
(b) making an appropriate adjustment on sound technical and/or financial grounds for any quantifiable acceptable deviations or reservations or alternative offers.

(e) taking into account the availability in the Purchaser's country of spare parts and after-sales services for any equipment to be supplied by the bidder.
(f) taking into account the projected operating and maintenance costs during the life of any equipment to be supplied by the bidder as well as the performance and productivity of such equipment.
(g) applying any other criteria stated in the bidding documents.
33.2. The estimated effect of price adjustment provisions in the Conditions of Contract over the period of execution of the Contract shall be disregarded in the evaluation of bids.

34. Preference for Certain Bidders

34.1. The Purchaser will grant a margin of preference in the comparison of bids for goods manufactured or produced in the Purchaser's country and/or in the country of member countries of the financing institution(s), provided the following conditions are satisfied:

(i) the cost of the goods net of taxes and duties, includes a value added in one of the countries referred to above of not less than 20% of the exfactory bid price of the goods.

(ii) the bidder is owned or beneficially owned to the extent of not less than 50% by nationals of that country.

34.2. The margin or preference to be accorded to the bidder eligible therefore will not exceed the amount of custom duties and other import taxes or the CIF or CIP price (or equivalent) on the basis of the lowest evaluated bid or 15% of such price, whichever is lower.

F. AWARD OF CONTRACT

35. Award

Subject to Clause 36 and to the application of Clause 34 of these Instructions, the Purchaser will award the Contract to the successful bidder satisfying the requirements of qualifications under Clause 17 of these Instructions and whose bid has been determined to be substantially responsive to the bidding documents and who has offered the lowest evaluated bid as determined in accordance with Clause 33 of these Instructions.

36. Annulment of Tender Procedure

The Purchaser reserves the right to accept or reject any tender or to annul the tendering process and reject all tenders at any time prior to the award of the Contract, without thereby incurring any liability to the affected tenderer or tenderers or any obligation to inform the affected tenderer or tenderers of the grounds for the Purchaser's action.

(1) If the Goods are wholly or partly financed by the Arab Bank for Economic Development in Africa, insert after the word "institution(s)" the expression "and any African Country."
